**SUPPLEMENTARY INFORMATION:** The Administrator of GSA established the GSA Acquisition Policy Federal Advisory Committee (GAP FAC) as a discretionary advisory committee under agency authority in accordance with the provisions of FACA (5 U.S.C. App 2). GSA has determined that the establishment of GAP FAC is necessary and in the public interest.

As America's buyer, GSA is uniquely positioned to enable a modern, accessible, and streamlined acquisition ecosystem and a robust marketplace connecting buyers to the

suppliers and businesses that meet their mission needs. The GAP FAC will assist GSA in this endeavor through expert advice on a broad range of innovative solutions to acquisition policy, workforce and industry partnership challenges.

The GAP FAC will serve as an advisory body to GSA's Administrator on how GSA can use its acquisition tools and authorities to target the highest priority Federal acquisition challenges. The GAP FAC will advise GSA's Administrator on emerging acquisition issues, challenges, and opportunities to support its role as America's buyer. The initial focus for the GAP FAC will be on driving regulatory, policy, and process changes required to embed climate and sustainability considerations in Federal acquisition. This includes examining and recommending steps GSA can take to support its workforce and industry partners in ensuring climate and sustainability issues are fully considered in the acquisition process. In accordance with FACA, the charter for the Committee will be filed with the appropriate entities no earlier than 15 calendar days following the date of publication of this notice.
